May 2021

GLEBE INVITE YOU TO RECYCLE WITH THE GARDENING CLUB

Glebe Primary School has been collecting lots of hard-to-recycle items that have raised money for our Gardening Club and we would now like to open this up to the wider local community.

You can drop off items from the list below in our collection point outside the school's front entrance. The Terracycle collection box is outside the front door, meaning that you do not need to enter the building.

We are happy to receive the following items:

- ✓ Empty toothpaste tubes and their boxes
- ✓ Toothbrush packaging
- ✓ Dental floss/tape dispensers and packaging
- ✓ Any handwash/sanitiser pumps
- ✓ Carex hand wash refill pouches
- ✓ Baylis & Harding lids and tubes
- ✓ Cleansing wipe packets (e.g. Simple or Wet Ones)
- ✓ Dishwasher tablet packs, salt bags and fresheners
- ✓ Home cleaning wipes
- ✓ Home cleaning refill pouches (e.g. Dettol)
- ✓ Flexible plastic tubes (e.g. moisturisers, hand creams and face wash)
- ✓ Makeup packaging, including mascara wands
- ✓ Lip balms and lipsticks with lids on
- ✓ Contact lens packaging and storage cases
- ✓ L.O.L Surprise broken toys and packaging

Please put your items in a bag before dropping them off at the school.

We also collect empty inkjet printer cartridges and original HP and Samsung branded laser toners for recycling.

Since September we have raised over £50 by recycling these, and we have collected over 10kg of recyclable items! In addition to all this, we also collect used stamps to raise funds for the RNIB.

Thank you for your support. All the money raised from recycling will go towards our gardening projects around the school grounds.

EASTER SERVICES GO 'LIVE'...

Easter 2020 came soon after the 1st National Lockdown. All our plans for Holy Week had to be cancelled and set up 'online' where possible.

Looking back it seems impossible that we have come through a whole year where most of our 'gathering' has been virtual and not 'face2face' – and yet here we are again.

The GOOD news is that Jesus is Alive – and our churches will be open on Easter Sunday, 4th April.

Everyone is warmly welcomed to either church to celebrate the great feast of Easter.

Ickenham URC will celebrate:

11am Easter Sunday Service with Communion.

St Giles' Church will celebrate:

Maundy Thursday BCP (said) Communion available from 10am (Jesus as servant) & CW Communion available from 6pm (Jesus is betrayed). (Online only).

Good Friday All-age worship available from 10am & 'At the foot of the cross' from 2 – 3pm. (Online only).

8am Easter Communion (said) from the Book of Common Prayer.

10am Easter Family Communion (with hymns & songs) from Common Worship.

Services at St Giles' need to be pre-booked via the office for Track & Trace: 01895 622970 or office@stgileschurch.co.uk

Online: Sunday Services will continue to be made available online on the St Giles' You Tube channel, including those for Palm Sunday and Easter Sunday.

DEAR FRIENDS

I write at the central point of Lent, still in the midst of the 'Stay at Home' policy but seeing the grip of the coronavirus pandemic loosening and knowing that as you read this our lives should have opened up to allow travel to other parts of the country. Just to take a longer journey will be an adventure in itself – a stepping stone on our way to the world as it will be. It will

also enable us to meet with relatives/friends in gardens and outdoor spaces. How we look forward to that moment in hopeful anticipation!

As the ICN is published we shall be in Holy Week, journeying with Jesus as he rides into Jerusalem to the adulation of the crowds, and eats the Passover meal with his friends who then abandon him as he endures the horror of a Roman crucifixion. How we long for Easter morning, when the joyful news of the resurrection plants the seeds of hope in our hearts and whispers in our ears "There is more..."

Without the resurrection Jesus might simply be a great teacher laid to rest 2000 years ago. But Jesus being raised from the dead opens up a whole new way of thinking, being, and living. He is alive! And he invites us to journey through our lives with him at our side.

Accepting Jesus' invitation is a stepping stone on our way to living within the values of his kingdom: Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness and Self-control. Learning to live that way is a day by day, moment by moment adventure, that lasts our whole lives. Jesus' promise is that he will be with us on our travels – always. He knows exactly how we feel when others abandon us, leave us, or let us down, but he will never do that to us. He is our inspiration, our encourager, and our confidence.

Leaving lock-down may, for some of us, be met with excitement and joy; for others there may be varying degrees of anxiety and uncertainty. We are not alone as we take that first step. Ickenham is a great community, and we travel in the company of friends. If we choose to, we can also travel with Jesus – and with him the stone we stand on is safe, solid, and secure.

With love, *Felicity*

PRAYERS FOR HEALING

at St Giles' Church

Sunday 25th April 2021 at 6.30pm

Are you suffering in mind, body or spirit?

Come and experience God's healing love in this service of contemplation, music, readings and prayers for yourself or someone you know.

All welcome

LENT – A TIME TO RENEW

The English word Lent is a shortened form of the Old English word lencten, meaning "spring season". Lent is often described as a time of preparation and an opportunity to deepen our relationship with God. This means that it's a time for personal reflection that prepares people's hearts and minds for Good Friday and Easter.

During the forty days from Ash Wednesday leading up to Easter, the Church remembers Jesus' time in the desert before he began his public preaching and healing. Forty days of loneliness and deprived of food and water. You often hear the question... "What are you giving up for Lent?" Our going without sweets, cigarettes, alcohol or the little treats of life bear little comparison with Jesus' suffering and the added temptations put to him by the devil.

However, we must look at this period of time as a chance of renewal. The renewal of spring and all it brings. The renewal of love and friendships. The renewal of 'normal life' after our

year of lockdown during the COVID pandemic. Most of all our renewal of our relationship with God.

I have a great love of art in all its forms, one of which is stained glass windows in our churches, cathedrals and places of worship. They tell many stories of God, the life of Jesus, the people of the community and life in general. They are the picture books of their time telling their stories. I have attached one here showing story of Jesus in the desert being tempted by the devil. It was created in the 13th century and came from Troyes Cathedral in France and can be found in the Victoria and Albert Museum.

May God be with you all and bless you with His love and comfort.

*Weeping may endure for the night,
but joy cometh in the morning.* Psalm 10:5

DAVID CRANE

With the death of David Crane, the community of Ickenham has lost a kind and godly man who put the needs of others before his own.

David was born on 9 November 1945 in Salisbury and his parents were Harry and Kathleen. The family moved to Ruislip around 1950. He attended BWI School, then Southall Technical School, followed by Goldsmiths, University of London. 1967 saw the start of his teaching career at Barnhill. On 1st August 1970 David and Sue were married at St Giles' Church and for about 10 years they lived in Hillingdon where Hazel was born. In 1977 David moved to Bishop Ramsey School where he became Head of Craft, Design and Technology. He was an enthusiastic teacher and greatly loved by his students. With the move to Rectory Way in 1980, David soon became involved with St Giles' and was either churchwarden or deputy warden for many years and editor of ICN from 1991 to 1995.

David was an active member of the Ickenham Churches' Bereavement Support Group. As a deeply compassionate man, he had a unique ability of finding just the right word to share with people who were grieving.

David and Sue were involved with the campaign to save Ickenham from the effects of HS2. Along with other residents, he appeared before the Select Committees of the Houses of Commons and Lords, giving reasoned and logical arguments in his attempts to get the best possible outcome for the locality. He was also a valuable member of the Ickenham Residents' Association committee. His love for Ickenham was legendary. David adored his family and wrote two books for his beloved granddaughter Jessica – what a wonderful legacy from her special Gramps!

A light has gone out in Ickenham. We miss him.

SOS UPDATE

We have featured Sarah's fantastic work several times in the ICN and I am sure our readers will be pleased to hear that she has recently been awarded the **British Citizens Award** for her Charity 'Serving Our Superheroes' (SOS).

Sarah received her medal by post on 28th January and is hoping to attend the Palace of Westminster, when it is deemed safe to do so.

'Serving Our Superheroes' has donated almost 24,000 items to those in need throughout the pandemic, including NHS staff, hospital patients and the homeless.

You can stay up to date with the charity news
www.facebook.com/servingoursuperheroes

To support the charity, Sarah has a JustGiving page
www.justgiving.com/crowdfunding/sarah-gardner-2

CHRISTIAN AID WEEK 10TH - 16TH MAY 2021

Due to the current restrictions we do not expect to leave envelopes in both churches for the public to donate. This may change and we would notify people via local websites.

For online or text donation information visit
www.christianaidweek.org.uk

Telephone and postal donations

We are still accepting postal donations, although please note that there is a delay to processing these due to operational restrictions regarding Covid-19. Please give via our website where possible, or alternatively call 020 7523 2269 to donate by telephone.

Should you wish to send a donation, please use the address below, and include a brief cover letter so we can acknowledge your kindness, if needed.

Christian Aid, PO Box 100, London SE1 7RT

Thank you again for all you do to make a difference in our world.

OUR ROAD MAP 'BACK'

Following the pandemic, St Giles' Church Hall will reopen in a phased way in accordance with government regulations and local risk assessment policies.

Step 2 (no earlier than 12th April)

Will allow us to consider children's indoor sporting activities restarting.

Other children's activities are more restricted, and will be subject to individual review as we look at government advice available at the time.

Please contact the organiser of your activity for up to date information.

Step 3 (no earlier than 17th May)

Is hopefully the time when we can contemplate the resumption of indoor adult sport and exercise activities. Please contact the organiser of your activity nearer the time for accurate details.

Bereavement 'drop in's' may also be possible from May onwards, and is likely still be subject to socially distancing requirements.

Please contact the church office in early May for more information.

Step 4 (no earlier than 21st June)

Would be the earliest possible date for opening up hire of the Church Hall in a more general way.

This is the date when the government hopes to remove the legal limits on social contact.

Thank you for your patience and understanding during this unavoidable closure of the Church Hall.

We have made the most of this 'down time' by undertaking some decorating and repairs in order to enhance your experience of using the hall as we welcome you back.

EMERGING FROM LOCKDOWN

The pandemic's first anniversary has just passed. I doubt few would disagree that momentous changes have happened to our everyday lives which no-one quite envisaged or could have foretold, crystal balls being in rather short supply! What a life-changing year.

From functioning on automatic pilot, putting on coat and shoes and armed with a Freedom Pass, striding to bus, tube or train transporting us to various destinations of our choosing, fair weather or foul, very little stopped from enjoying an interesting day out. Returning home weary and appetites sated from the days' events.

The past year has been a very steep learning curve. Attempting to absorb so much scientific information until my poor little brain is catapulted into overload and I have to bail out and seek peace and tranquillity in my haven, my garden.

A few deep breaths of early morning air like nectar, each intake giving restorative oxygen throughout my body. Followed by listening to birdsong, attempting to identify the source but not easy if you cannot see its owner. Some are familiar, others which pose deeper thought as it is not obvious who is the artist.

The pace of development of vaccines is ratcheting up giving a complete change of world scenery with rays of hope like a rash of measles. 2020 was all downhill, with a new untouched year 2021 arriving, a slow, hard climb up a very steep hill has to be tackled. Hopefully, in time, climbing out of the pit we all fell into in early 2020.

End of January saw a stampede of new vaccines bursting out of their various stables. Like buses you wait patiently for one to come along and then traffic jam with so many arriving at once!

Stepping outside early one morning in February my ears were greeted with the piercing, shrill melodic song of the thrush. It simply made my heart sing with joy, what an artist of sound. Also early February, dancing, swirling, graceful, delicate snowflakes fell. Mesmerising, the eyes following them descending to the frozen soil, quite hypnotic.

Temperatures in low 60's (in old money) galvanised early growth of camellias, magnolias etc and then fickle Mother Nature sends frosts nipping buds, turning them brown spoiling possible glorious blooms which we have waited patiently all year to see. Thankfully, there are many 'toughies' who defy chaotic temperatures, one of my favourites being the hellebore, spectacular colours of so many different hues providing joy in Winter months.

Some years ago our group (the former Hillingdon Friendship Centre) visited Hadlow College and garden in Kent and in the walled-garden the display of many hellebores is breath-taking. Hopefully, a place to visit, placed on the 'to do' list sometime in the future.

Poor Ickenham, so badly spoiled and damaged by the wrecking ball of HS2. Latest victim: Soldiers Return in the High Road. Having walked past it for 48 years, it is sad to see it boarded up. We are all perfectly aware that nothing stands still and that change is happening all the time, but some decisions and subsequent events have much more impact than others.

With the arrival of Springtime and nature waking from its Winter slumber and emerging out of hibernation, with it comes much hope, enabling us to lift our eyes and take in fully the daily wonders happening around us. Taking a moment to gaze, watch, peer, listen and absorb all that we see, which, after all, is free, we shall be refreshed and balance restored.

GROWING GOING GONE

We are sure that anyone walking through St Giles churchyard will have been cheered up by the amazing display of daffodils this year.

It is as if Spring knew we needed a boost after a winter of uncertainty and sadness for so many. Spring hurtles along like a gilded express train, blink and its gone.

We grow several varieties of daffodils and although many of them are the celebrated Tete a Tete there are some in the spring wildflower area that are special daffodils. These are the famous but less known native daffodil called a Lent Lily. This is because it traditionally bloomed and then died away between Ash Wednesday and Easter. These daffodils self seed and we hope to increase our numbers year on year. Enjoy that space at the moment. As they fade away we need to leave the grass to grow and allow them to seed for next year. We occasionally hear people query the messy grass! But those of us who garden know that leaving the "mess" is essential for next year's growth.

One of the surprising plants that we have growing in the churchyard is a *Crinodendron hookerianum* "The Chilean Lantern Tree" (that's a botanical name to impress your friends!) From late spring into early summer its branches are strung with beautiful red lantern like flowers. It needs a shady damp place to grow and it thrives in ground just behind the church vestry. In a good year it is stunning. Many plants were named after William Hooker who was one of the first botanical artists

and Director at Kew. This is one of them. Try to find a moment to see it flowering.

Unfortunately we had to remove a very large Ash tree this year due to its instability. We had two self sown trees, one had collapsed last summer due to fungal infection. The remaining tree was in danger of falling on the church hall and needed to be removed. This was quite a task as the road needed to be secured whilst the work was ongoing. The tree company who did the work for us are generously donating three replacement trees, a Tulip Tree, a Blackthorn and a Hawthorn which will eventually fill the area and provide a source of food for birds and nectar for pollinating insects.

We look forward to getting back to work as soon as government restrictions allow us to do so. Even the onerous task of mowing grass will be a welcome activity after the past months of restrictions.

Who knows we may even manage a coffee morning in late summer – we will supply the wonderful cakes; please come along and support us if you are able.

'Hope Springs Eternal.'
(Alexander Pope)

THE HOLY MOWERS.

TELL ME YOUR STORY...

an interview with an Ickenham resident

"One of the best Christmas presents last year (it kept on giving) was a little book entitled 'Grandad Tell Me Your Story'. My wife got the same, called 'Nanny' etc. We forget that, to our grandchildren, we lived in a mysterious and ancient world. And, usually, by the time they've become curious, we're past remembering, assuming we're alive at all.

"What better than to grasp the nettle now, before it's too late? It doesn't involve mountains of work, especially if

you do it a few memories at a time. The hard bit, for some of us, is to think about what to include. This is where the Christmas gift came in handy – it asked a ton of questions and all we had to do was answer them.

"Here are a few examples: Where were you born? What's the story? Why were you given your name? What about your parents and grandparents? How did your family spend time together when you were little? Where did you used to go on holiday? What is the earliest memory you have?

"You get the idea. It could be quite fun to make up questions that reveal the 'olden days' to the younger generations. Why not make a start by cooking up questions for your own family. Not only will it be a written history of your family but, as the writers get old, it would make a wonderful 'memory book' to help bring interest into their lives and maybe even stimulate fresh memories."

Sadly, we are unable to hold our Spring Show on Saturday 3rd April in the Village Hall.

We will however, be holding an online Virtual Spring Show which will be available to view on our website from 3rd April.

Any member who has not received an email with the details of the ways you can enter the online show, please email shows@ickenham-horticultural.org.uk or see our website.

We are also distributing sunflower kits for the Family Sunflower competition which will definitely go ahead, hopefully at a 'real' Autumn Show in the Village Hall on Saturday 4th September.

If you would like a sunflower kit, please email sunflower@ickenham-horticultural.org.uk

MICHELLE CASON AND ROSEMARY BENNETT (JOINT SHOW MANAGERS)

BART VAN DER LEE 'DINE AT HOME' EXPERIENCE

You may recall that local private chef Bart van der Lee featured on the cover of the February/March issue of Ickenham Church News.

Inspired by conversations with the lovely Bart, my husband and I decided that his food must be tried! To this end, we cast aside veganism for the day and bought a 'Dine at Home' box of Bart's 'MasterChef - The Professionals' dishes.

What a wonderful and worthwhile experience it was. Yes, it was pricey, but all the courses were very straightforward to prepare with the help of a YouTube video by Bart. Ingredients were supplied pre-prepared and, with very little effort, we produced a meal of exquisite flavours and textures. Online reviews show that others who bought the same box and watched the same video were just as delighted as us.

The meal was nothing like anything we'd normally prepare for ourselves and we thoroughly enjoyed our fine dining restaurant quality at home; thank you, Bart!

RACHEL EVANS

Fennel seed milk bread with goat's milk butter

Starter: Pan seared scallops with miso, green apple purée, pickled watermelon rind, shiso and sea buckthorn vinaigrette (please imagine the vinaigrette artfully drizzled over the scallops)

Main: beef sirloin with aubergine compote, pickled black walnuts, chicory, Roscoff onion with oxtail, red wine and Madeira jus, bull's blood leaves

Dessert: white chocolate mousse with porcini soil, fig chutney, porcini biscuit, bee pollen and a yoghurt and thyme sorbet

Treat: dark chocolate and star anise fudge
